NON-PROFIT ORGANIZATION

2008
18 MAY

The APEC Port Services Network (APSN) is a non-profit organization established on 5 May, 2008 in response to the directives of the 14th APEC Economic Leaders' Meeting held in 2006. Currently, 18 of 21 APEC member economies have joined APSN.

The APSN is a premier platform for communication and collaboration among port and port-related industries in the Asia-Pacific region. The APSN also creates a unique channel for dialogues between industries and competent authorities on various issues of common interests.
