The United States

APEC WiT 2018 ROUNDTABLE

Asia-Pacific
Economic Cooperation

- Slated to be held on the margins of the TPTWG meeting in Lima, Peru in late September
- Aims to capture the impact of WiT activities that have taken place since 2015 and discuss an APEC-wide vision for next steps
- Focused discussion on:
 - How to sustain TPTWG's leadership in promoting women's participation in transportation in the future
 - Lessons from WiT pilot activities (PNG, Vietnam, Malaysia)
 - Future challenges and new opportunities to increase women's participation in the sector
