	Page
1 Introduction	
1.1 Introduction	1-1
1.2 Objectives	1-1
1.3 Scope of the Study	1-2
1.4 Plans included in the Master Plan	1-2
 2 Study Area	
2.1 Location and Boundary	2-1
2.1.1 Geography and Climate	2-2
2.2 Social Characteristics	2-2
2.2.1 Administrative Management	2-2
2.2.2 Population	2-2
2.2.3 Religion, Culture, and Tradition	2-2
2.3 Infrastructures	2-3
2.3.1 Education	2-3
2.3.2 Public Health	2-3
2.3.3 Electricity	2-3
2.3.4 Water supply	2-3
2.4 Economy	2-3
2.5 Tourist Attractions	2-3
2.6 Uttaradit Municipality	2-4
2.6.1 Location	2-4
2.6.2 Population	2-5
2.6.3 Education	2-5
2.6.4 Public Health	2-5
2.6.5 Economy	2-5
2.6.6 Road network	2-5

TABLE OF CONTENTS

		Page
3	Land Use, City Planning and Livable City Development	
3.1	Roles and the Importance of Uttaradit Province	3-1
3.2	Land use plan in Uttaradit	3-1
3.3	Geography and Land Use in Uttaradit	3-2
3.3.1	Geography	3-2
3.3.2	Land use	3-2
3.4	Transportation, Land Use and City expansion	3-2
4	Transportation System	
4.1	Uttaradit transportation system	4-1
4.1.1	Highways and Roads Street networks and road hierarchical system	4-1
4.2	Rail Transport	4-3
4.3	Water Travel	4-3
4.4	Public Transport	4-3
5	Existing Traffic and Transportation in Studied Areas	
5.1	Travel demand between zones	5-1
5.2	Traffic Volume Count	5-1
5.3	Traffic volume at Cordon	5-2
5.3.1	Traffic volume at Midblock	5-2
5.3.2	Traffic volume at Screen Line	5-2
5.3.3	Traffic volume at Intersection	5-2
5.4	Travel speed and Travel Delay	5-3
5.5	Level of Service of roads	5-3
5.6	Traffic accidents in Uttaradit	5-4
6	Transportation Problems	
6.1	Problems in Traffic Management	6-1
6.2	Problems in road safety	6-4
6.3	Problems in logistics system	6-5

TABLE OF CONTENTS

		Page
	6.3.1 Container yard developmentSilaart	6-5
	6.3.2 Container yard development	6-5
6.4	Problems in road network expansion	6-6
6.5	Problems in livable and sustainable development	6-6
6.6	Problems related with tourism promotion	6-7
6.7	Problems in Public Transportation	6-7
7	The Analysis of Traffic and Transport Projects	
7.1	Characteristics and Commuting Behavior in Uttaradit Master Plan	7-2
	7.1.1 Socio-Economic Information in Uttaradit Master Plan	7-2
	7.1.2 Travel Information in Uttaradit Master Plan Areas	7-2
	7.1.3 Behavior of travel in Uttaradit Master Plan Areas	7-2
7.2	Development of Traffic and Transport Model	7-2
8	Conceptual Framework for Uttaradit Master Plan	
8.1	The Conceptual Framework for Livable and Sustainable City Planning	8-1
8.2	Frameworks for Setting up Uttaradit Master Plan	8-2
9	Traffic and Transport Master Plan for Uttaradit Province	9-1
